Guardians of India's Rubber Wealth Fycol 8. Fycop. Furadan® 3G.

3 scientific formulations from Tata Fison Rallis to safeguard rubber plants against insects and fungus.

Fycol 8

An oil-based fungicide incorporating Copper Oxychloride. Combined with Rubber Spray Oil, an excellent remedy for Secondary Leaf Fall.

Fycop

An oil-miscible powder based on Copper Oxychloride. Mixed with Rubber Spray Oil, also a successful treatment for the control of Secondary Leaf Fall.

Sprayed regularly over rubber plantations, Fycol and Fycop effectively control Secondary Leaf Fall to help you get the most out of existing rubber trees.

furadan® 3G

A highly active systemic carbamate insecticide/ nematocide with a broad spectrum of biological activity. Applied through the soil, it destroys cockchafer grubs to give you richer, healthier yields of rubber.
